## INTRACORP INC.

---

---

---

**INTRACORP** continues to offer you the most exciting and entertaining software possible. The latest action and adventure games from **CAPSTONE** will keep you on the edge of your seat: from the futuristic high-tech 3D world of **WILLIAM SHATNER'S TEKWAR**, to the witches, monsters and wicked weapons of **WITCHAVEN**, to the sci-fi excitement of **CHRONOMASTER**, from bestselling author **Roger Zelazny**. No matter what game you play, your best move is always **THE NEXT MOVE™** featuring the sizzle & glamour of Las Vegas in **CASINO TOURNAMENT OF CHAMPIONS**, plus **GRAND-MASTER CHAMPIONSHIP CHESS**, **BRIDGE MASTER CHAMPIONSHIP EDITION**, **ULTIMATE BACKGAMMON** and **ANYONE FOR CARDS?**. The **THREE-SIXTY** division tops the line-up with an exciting group of authentic warfare simulations, including the latest Harpoon product, **HARPOON II DELUXE MULTIMEDIA** on CD-ROM. For even more exciting war scenarios, try the **COLD WAR** and **WESTPAC** add-on battlesets. All of IntraCorp's products add up to fun. We pledge to use our creativity and technology to bring you some of the best games around. Enjoy!

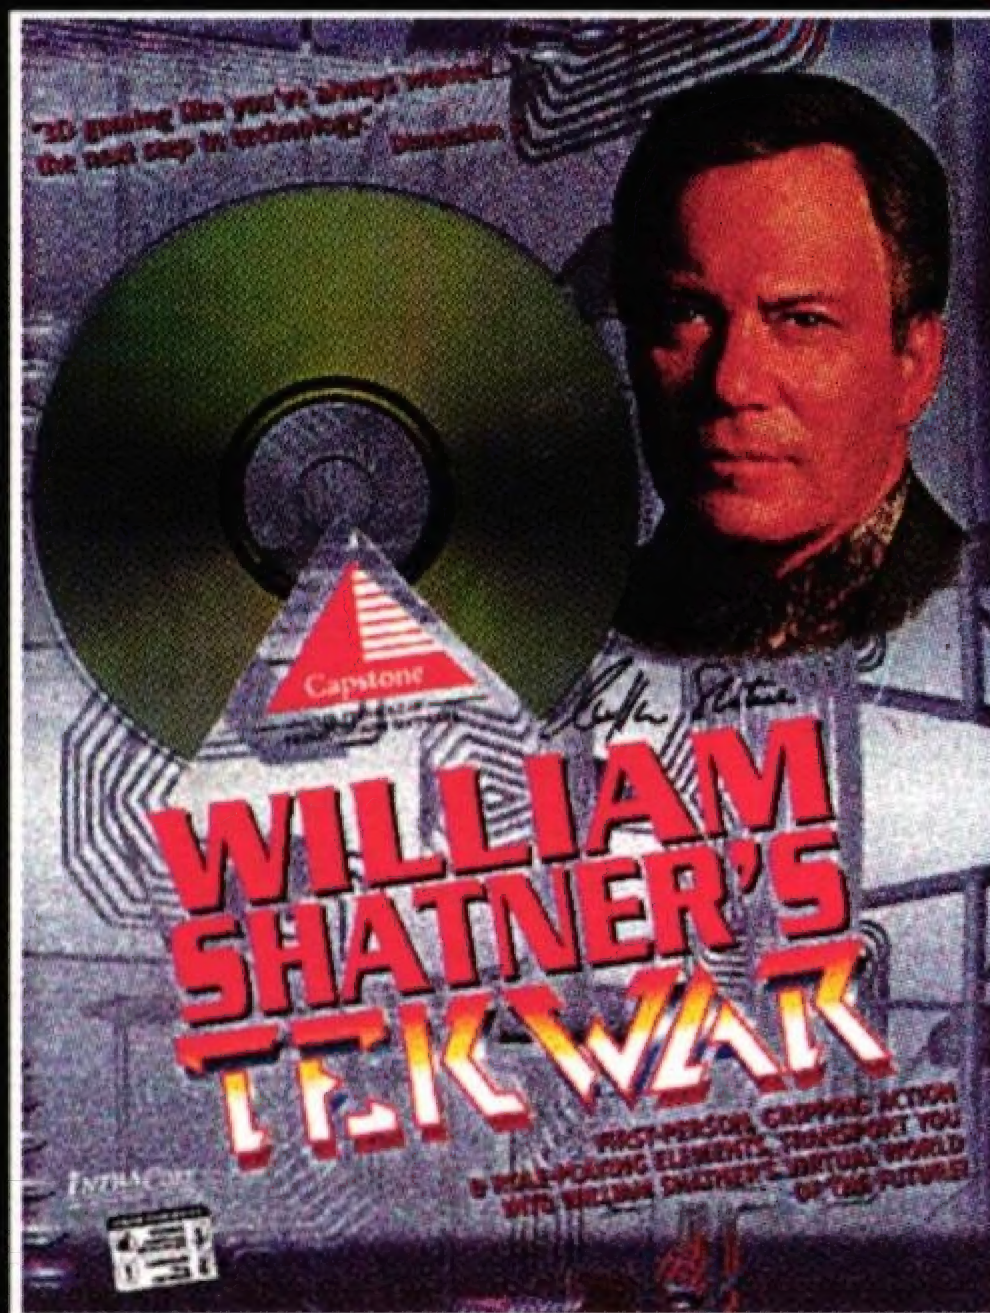

"The next step in technology for 3D gaming"

— Dimension 3 Magazine

Travel 50 years into the future, where TEK, a mind-altering hallucinogenic, is the drug of choice in the city of New L.A. Only you can stop the tidal-wave of addiction. William Shatner, creator of the TEKWAR universe, interacts with players while starring as Walter Bascom, the head of the elite Cosmos detective agency.

- Original full-motion video footage starring William Shatner.
- Exclusively licensed powerful 3-D "Build" Engine allows greater freedom in movement & perspective, a near-virtual environment, a relentless AI and more strategic, interactive gameplay.
- Multiple digitized video characters.
- Massive game play field: an ultra-realistic city of the future that transcends traditional 3-D game mapping.
- Network play for up to 16 players and head to head Modem play.

# WILLIAM SHATNER'S TEKWAR

The Next Generation of 3-D Gaming has Arrived!

**Formats:**

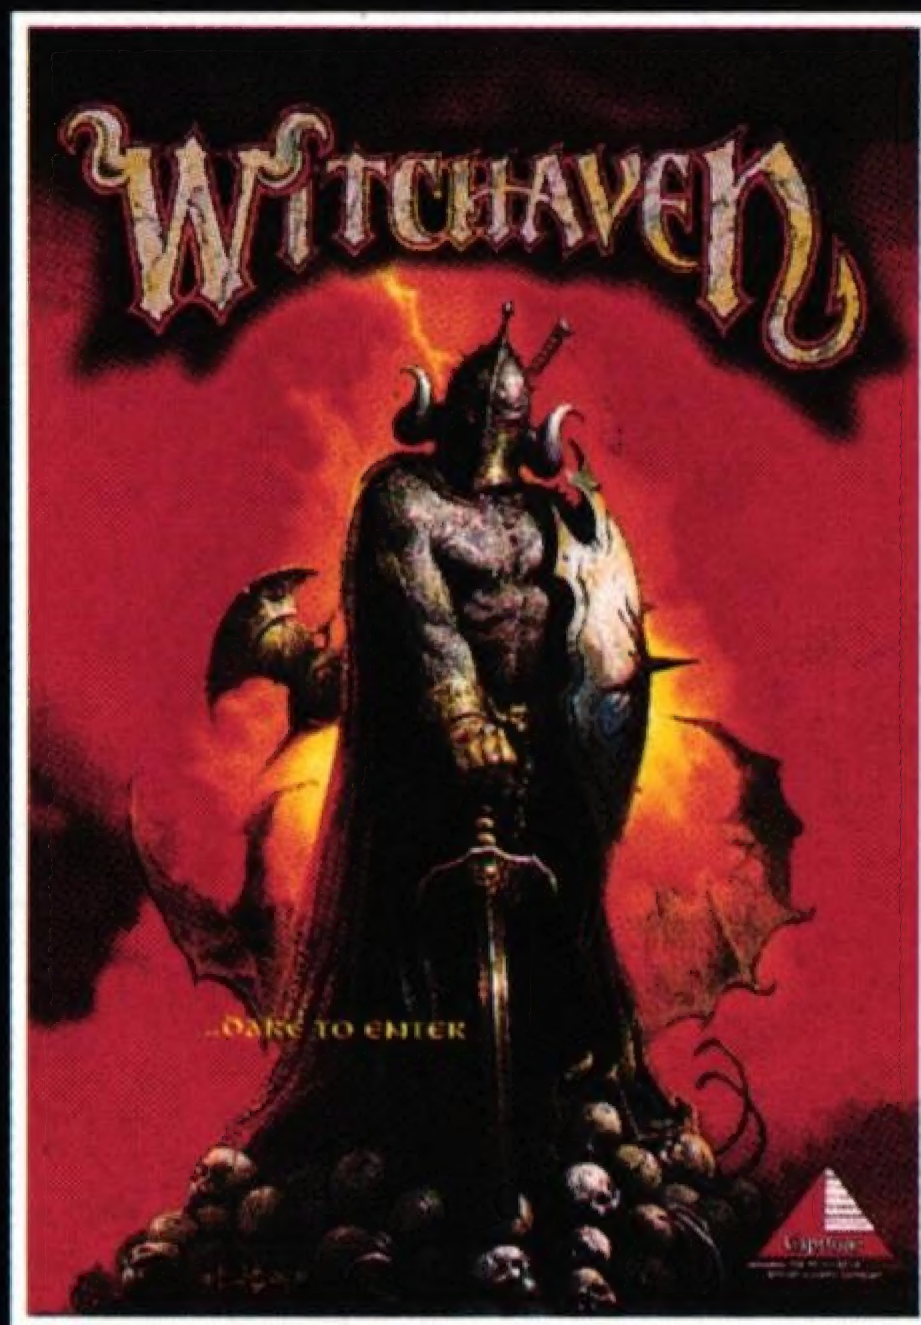

**IBM CD-ROM Available October 1995**

Deep within the volcanic pit of the island of Char lies the mystical lair of Witchhaven. There, witches older than time itself cast a shadow of evil spells that threaten you with never-ending darkness.

Only you can lift the curse. Can you defeat demon-spawns and their creators, to save the island of Char?

- Advanced "Build" 3-D Engine allows greater freedom in movement & perspective, ultra-challenging AI and more strategic action play.

- Network play for up to 16 players and head to head Modem play.
- Innovative game design, puzzles and multi-layered maps in an enormous playing area.
- Full-motion 3-D animated introduction.
- Choose from a wide array of weapons for hand-to-hand combat with a broader range of motion than you'll find in other games, as well as directional spells which can be guided after firing.
- Original sound effects and CD-quality music score.

"Witchaven is a groundbreaking 3D fantasy Action/Adventure..."  
— Dimension 3 Magazine

**Format: IBM CD-ROM Available September 1995**

# CHRONOMASTER

Take the genius of Roger Zelazny, one of the premier science fiction writers of our time, and combine it with the game development talent of DreamForge Entertainment, and you'll have the graphic adventure of the year. You are Korda, the ChronoMaster, as he sets out to restart time and right the wrongs of a war-plagued past in this epic quest for vengeance. Set against the backdrop of man-made pocket universes run by cyborgs and pirates, ChronoMaster makes you the hero!

- Fully rendered 3D interactive environment.
- Intricate puzzles with multiple solutions for varied gameplay.
- Innovative Intuitive Interface.

**Format: IBM CD-ROM**

**Available November 1995**

# CORRIDOR 7

## Alien Invasion

See what looms down Corridor 7 in this full-screen action extravaganza packed with 46 floors of heart-stopping terror. It's compelling, futuristic mythos of alien life-forms is backed by the power of an enhanced Wolfenstein™ 3D engine. Wage a

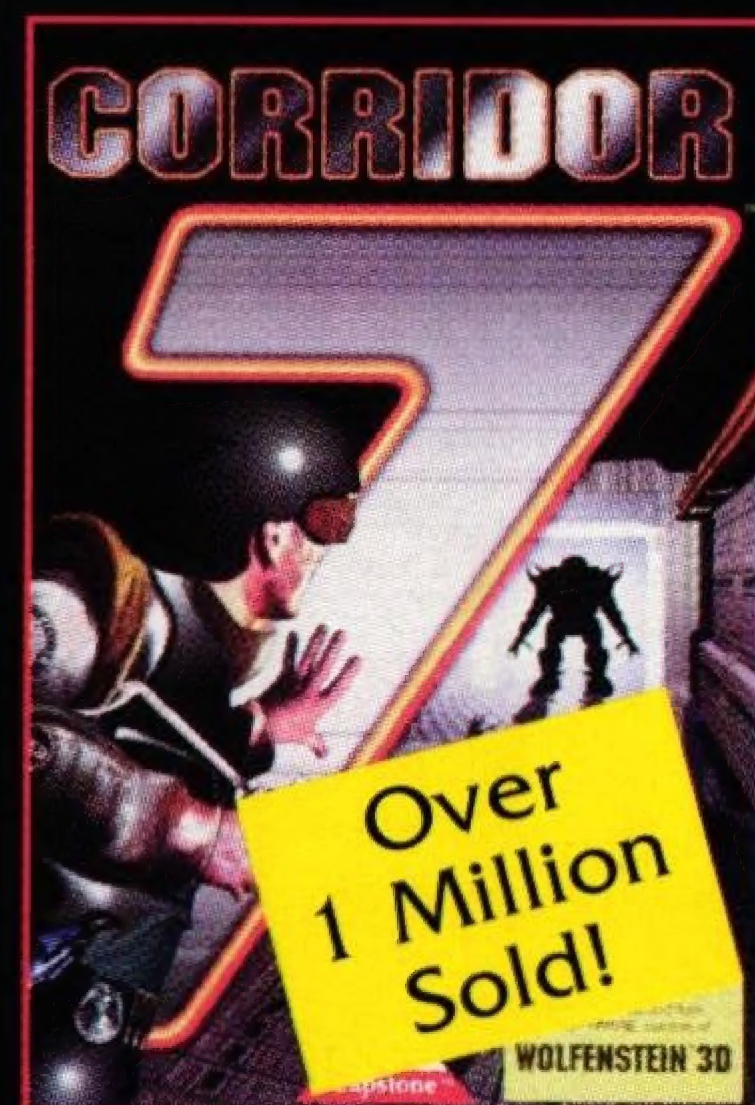

ferocious battle to save the human race while experiencing a multi-sensory array of exciting features:

- Morphing aliens with extended death scenes
- Diminished lighting effects
- Transparent & animated walls
- Spine-tingling stereo sound
- Proximity mapping
- Head to head Modem play & network play up to 12 players.

**Format: IBM CD-ROM**

**IBM 3.5 (30 floors No Modem)**

**Available Now**

CAPSTONE

# OPERATION **BODY COUNT**

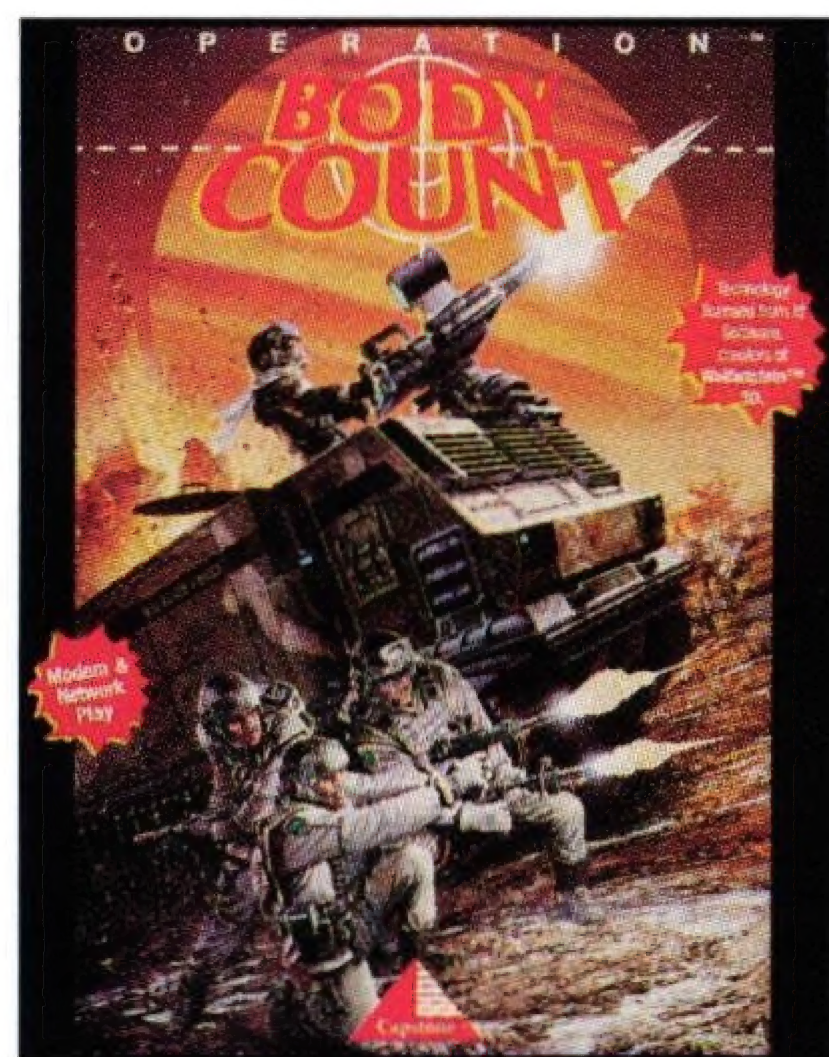

It's the year 2012. Mass chaos erupts when militant terrorists take over the United Nations Towers and hold a group of ambassadors hostage on the top floor. Hundreds of hallways and 40 floors have been booby-trapped, all the usual accesses are barricaded, fires are breaking out and negotiations have come to an abrupt end.

You are a member of the nation's Elite Force, trained to take out terrorists "when the talking stops." Waste away all enemies, from scum-sucking sewer rats to steroid-pumped assassins, on your never-say-die mission to save the hostages. Now the world watches as you confront the terrorist assault and battle your way to the top -- peace by piece.

With an enhanced Wolfenstein 3D Engine, this CD-ROM Action Game features modem & network play.

**Format: IBM CD-ROM**

**Available Now**

**CAPSTONE**

# ZORRO

*"... a swashbuckling, whip-cracking adventure that is reminiscent of Prince of Persia." ...Computer Player Magazine*

## *A Cinematic Family Action Adventure by Capstone — Gold, Greed & Gallantry*

As Zorro, defender of justice, you must brave the desert wilderness of 19th century California armed with only your whip and blade. Battle Cortez and his bandits. Explore ancient ghost ships. Fend off vultures and man-eating plants. And with the mark of the Z, return the gold to the village mission and fulfill the legend of our masked hero.

The entire family can enjoy going through clever mazes & puzzles for hours of fun.

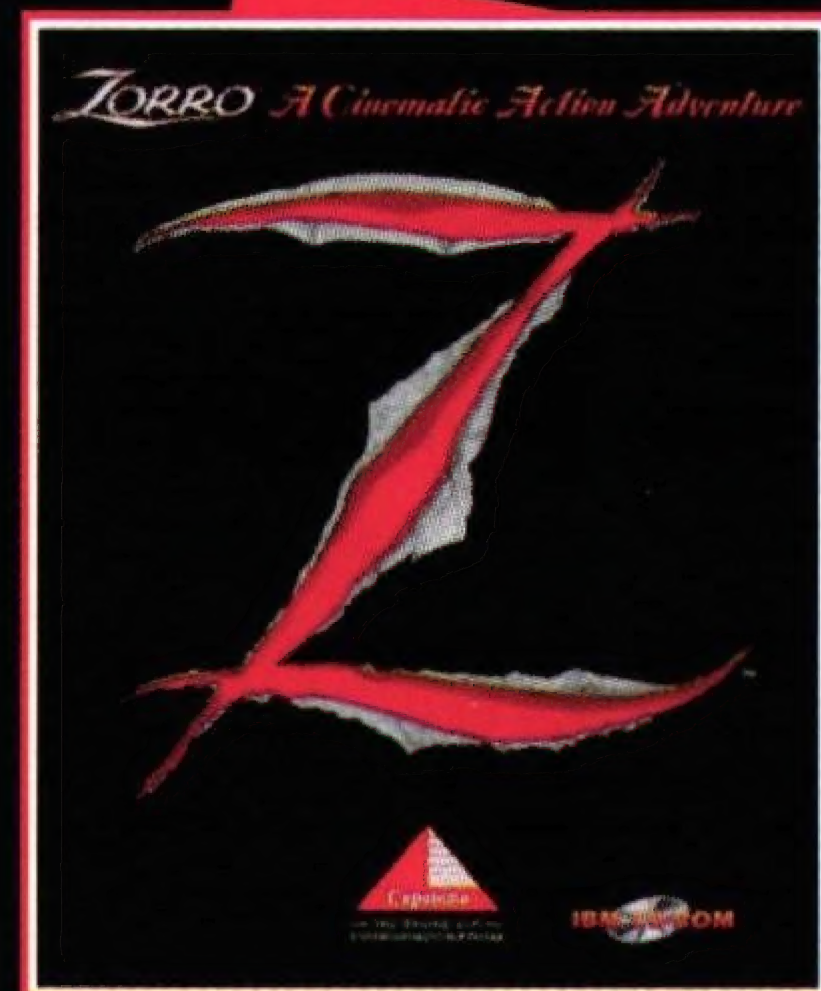

The entire family can enjoy going through clever mazes & puzzles for hours of fun.

- Digitized speech, sound effects and music enhance this multimedia gaming experience.
- High quality Cinematic Full-motion video
- A multitude of challenging levels of play.

- 3-D rendered graphics

**CAPSTONE**

"One of the most fulfilling wargame experiences ever created for the computer."  
—CD-ROM Today

# HARPOON II DELUXE MULTIMEDIA EDITION

The shock wave is just beginning with Harpoon II Deluxe Multimedia Edition. Two exclusive battlesets for 30 new realistic scenarios and a scenario editor to let you design the encounter. Plus - over 100 full motion video and sound clips! Add features like toolbar control buttons, military style vector maps, and an enhanced, easy to use database of tech specs and pictures of military hardware and you're ready to go to battle stations. Harpoon II Deluxe Multimedia Edition is set to blow you out of the water!

**Format: IBM CD-ROM Available Now!**

THREE-SIXTY

# HARPOON II

Prepare for the second strike. Harpoon II sets a new standard in naval warfare simulations that puts you in command of modern military hardware. Actual footage of weapon launch and realistic military-style vector maps and artificial intelligence captures the tension and intensity of high-tech, high seas combat.

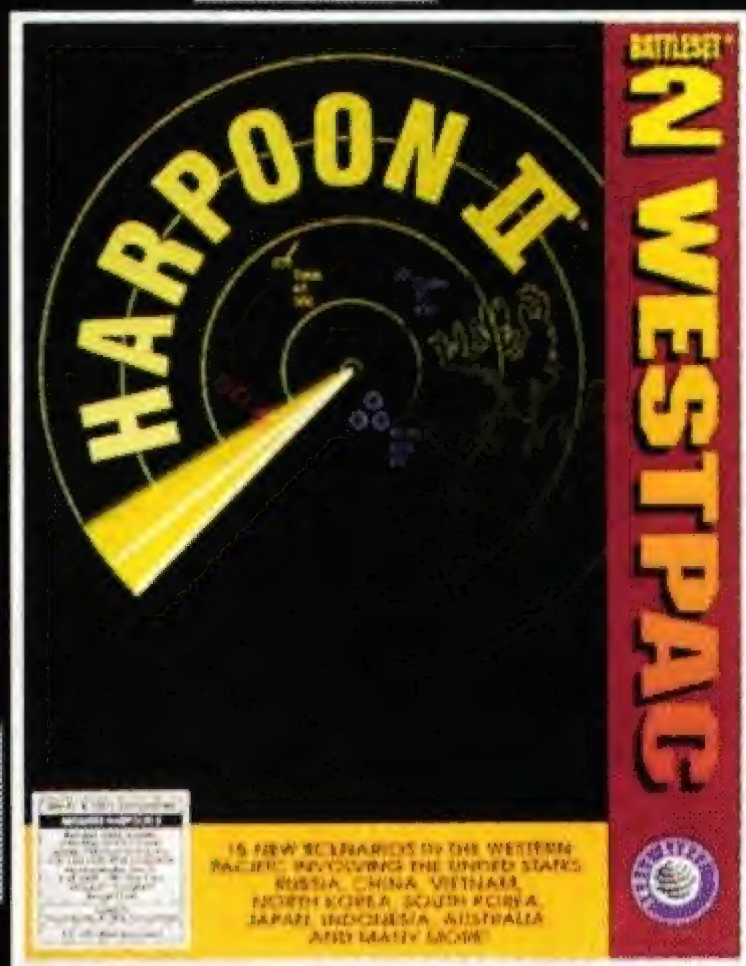

**Format: IBM PC 3.5  
Macintosh CD-ROM  
Available Now**

## BATTLESET 2 WESTPAC

An expansion set for the already exciting Harpoon II focusing on the Western Pacific and Southeast Asian countries. Features 15 new scenarios encompassing over 100 new naval and air platforms including the forces of the United States, Japan, North and South Korea, Thailand, Malaysia, Singapore, Indonesia, Australia, Vietnam, Russia, China and many more.

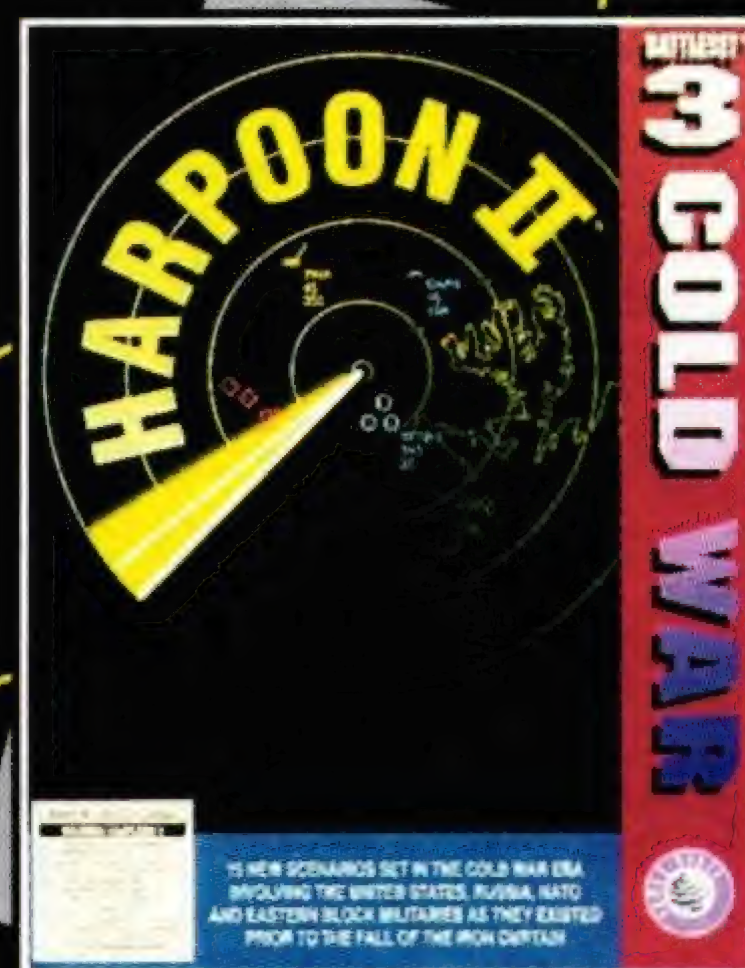

## BATTLESET 3 COLD WAR

**The Duel between the Eagle  
& The Bear Continues...**

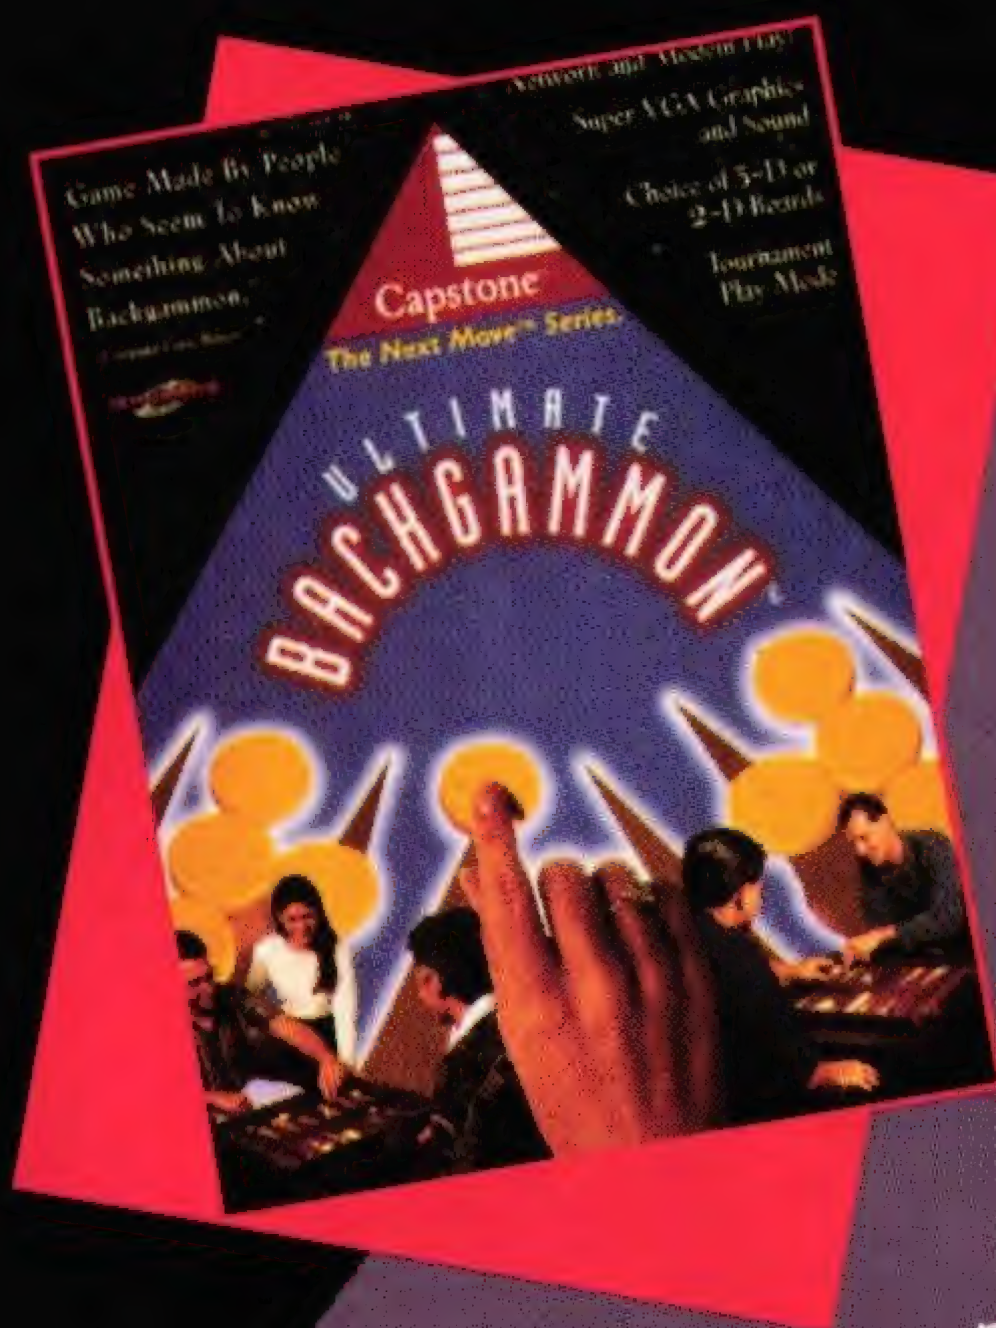

Another great expansion set for Harpoon II, Cold War BattleSet takes you to the Cold War Era. Featuring 15 new scenarios set during the Mid 1980's, this BattleSet offers over 80 new platforms with a database adjusted for the era involving the forces of the United States, Russia, Nato & Eastern Block militaries as they existed prior to the fall of the iron curtain.

**Format: IBM PC 3.5 / Mac 3.5**  
**Available Now**

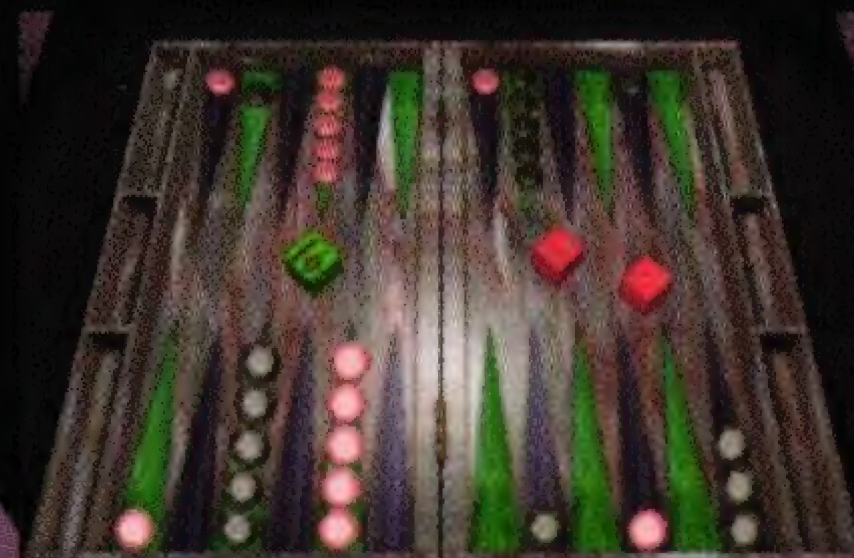

# ULTIMATE BACKGAMMON

For fanatics and casual players alike, Ultimate Backgammon will have you rolling the dice for hours on end!

Enjoy your choice of boards and surroundings, with crisp graphics and an easy-to-use interface. Choose from 3 different play levels. With modem & network play, challenge your friends around the block or around the world. And in tournament play mode, the stage is set for your own world championship. Learn to play with special help options and multiple levels of play. Even roll your own dice and enter results manually.

**Formats: IBM 3.5**

# CASINO

## TOURNAMENT OF CHAMPIONS

Realistic, high-stakes casino action, all your favorite games and tournament play with modem and network support make the all-new, multimedia Casino Tournament of Champions the ultimate casino gambling simulation.
